Also known as 'The Coach', Coach Rafi Ansari has a Bachelor Degree in Innovation and Entrepreneurship and is a sought after Business Coach.

He is the Managing Director of Outboxx Pte. Ltd which focuses on coaching and training.

He is also the founder of The POWER Coaching System, a proprietary system that addresses the different aspects of growth for a business, as well as the co-founder of Unique Business Application Fun Coaching (UBAFC), a theme-based group coaching that focuses on different aspects of business.

He has coached and trained hundreds of business owners, by giving them clarity and focus so that they achieve their goals.

He was the main trainer for the successful Protege Kita Programme, a program organised by the Singapore Malay Chamber of Commerce and Industry (SMCCI), which sparked many aspiring business owners from the Malay Community.

He delivers his content with a mixture of humour and logic, giving simple analogies that allow participants to easily grasp the subject matter. His participants go through a roller-coaster of emotions as he focuses on the holistic approach to Unleashing The Entrepreneur Within.
